Deaths Published in the Papers

Volume 3

The Upper Shore Genealogical Society has been given obituary collections from Myra Kelly, Esther Marble, Debbie Moxy, Shirley Cahall and various members. The collection has become so large, that in order for them to be useful to all of our members, we are now publishing them, with full name indexes for easy use.

Not all of the obituaries contain dates of death, but we have included some of those in each volume so as not to lose the genealogical information included. With the place of burial being indicated, the date of death can be found in our tombstone recordings if the burial took place in our Upper Shore counties. Otherwise, with the date of birth and the age at death, the death date can be determined in most cases. We have provided the year whenever possible.

Each volume will include an assortment of years, counties of residence, and newspapers.

The known newspapers that these obituaries are taken from are the : Denton Journal, The Times Record, Record Observer, Star Democrat, Bay Times, Kent County News, News and Farmer, The Pilot, Delaware State News and Cecil Whig
